Re: Application for admission as a student at this College

Thank you for your interest in attending SA Bible College. We herewith enclose the necessary application forms which should be completed and returned to us as soon as possible. **NOTE: Please email your completed forms to the College before posting them to us. Use the post office only if you have no other means of returning the forms to us.**

Special conditions of acceptance:

General: **ALL APPLICANTS: IN YOUR OWN HANDWRITING (must be cursive, normal punctuation applies and not typed)**

1. A biography, 500 words or more, including your reason why you want to study at this College
2. What is the meaning of I Corinthians 13:8-10 (when the perfect comes)?
3. What is the meaning of Matthew 7:21-23?

Applications can only be processed when all supporting documents have been submitted and the administration fee of R350 has been paid.

Students *must* have a good command of English or they will not be able to pursue studies at tertiary level. Single students may have to share rooms to reduce the College's costs. *Please note: Only members of churches of Christ are eligible for bursaries.*

The following forms must be signed and returned to the College before your application will be considered: Admission Requirements, General Information and Student Necessities. The second copy is for your records. You will find a list of all other forms and requirements therein.

Students will be asked to return home if they do not arrive in time for the beginning of the academic year. *Applications by foreign students* must be received by September, 30th unless they have five A Level passes in which case applications must be received by October, 20th. Please note that it may take up to 10 weeks to receive a study visa.

Refugees/Asylum seekers: These must have been legal residents in South Africa for at least one year before applying for admission. Please ensure that all your papers are in order before applying to study at the College. **Please also send certified copies of your Home Affairs paperwork with your application. Copies should be colour copies. Copies must be certified by the South African Police Services.**

Foreign students: You are responsible for obtaining the necessary temporary residency and study visa from the South African representative in your country of origin. These cannot be obtained in South Africa. Only students with the required documentation will be allowed to begin studies or live in College housing. **Costs and fees must be paid at the start of every year.** Monthly payments are not acceptable. The following currencies are acceptable: South African Rand, US dollars, Euro and British Pound. **NOTE:** A surcharge applies when payment is made in a foreign currency since the College has to pay high bank charges on such transfers.

Please note: you must begin work on your visas and medical insurance immediately after acceptance. We will not accept students whose visas are not in order.

Values and Costs

Academic content: The present value of the academic content of the qualifications is approximately R15000.00 per annum. Since the College receives donations and contributions, however, tuition is at present provided free to those who qualify for bursaries. The cost of tuition for non-members of the church of Christ is R13000 per annum. Most study material is provided in the study guides. However, the College requires the following text book upon arrival:

1. A reputable Bible Dictionary (NOT an abridged version). A digital version may be downloaded for classroom use.

Board and lodging: The average cost to the College of providing board and lodging as well as the costs of maintenance and upkeep of the various facilities is approximately R5000 per month per student. Students are therefore requested to pay the College at least R12000 per year to assist with these costs. Students who can pay part or the whole of this amount may be given preference. Please make an effort to raise funding for your board & lodging. See below for fees and costs. Non-members of the church of Christ will have to pay for board and lodging in full.

Fundraising and bursaries: Because of the overall cost of operating the College, ongoing fundraising is essential. All students are requested to make every effort to keep the running costs of Southern Africa Bible College as low as possible. This also means that only a limited number of bursaries are available. We also request that students, past and present, assist in raising funding for the College.

Fees and deposits:

1. A non-refundable administration fee of R350 (US \$40) MUST accompany all first applications for admission. *Applications will not be processed without payment of this fee.*
2. An annual registration fee of R1600 (US \$140) must be paid by all students *upon arrival at the College at the beginning of the academic year.*
3. Single students NOTE: a R600 refundable key and maintenance deposit is payable when arriving at the College. The refund is subject to the state of your room.
4. Married students receive a bursary, if available. The College deducts: 1) a monthly deposit of R250 which is a maintenance deposit; 2) Your water and lights expenses; 3) the annual registration fee, unless the student prefers to pay this at the beginning of each year of study.
5. Refund of maintenance and key deposits depends on the state of the student's room/housing and unpaid municipal accounts.
6. The annual registration fee includes the annual library fee and the cost of a student card. Students are not permitted to take books out of the library unless this fee has been paid.

The College is unable to provide you with **any** financial assistance. All students will be part of our Work-Study Programme. This means that you will be assigned tasks on campus without remuneration to help off-set costs. **NOTE:** *The dormitories close during the Easter break, the Winter break and from the end of November till the start of the academic year. Students must arrange alternative accommodation or return home during these periods.*
